

The Spirit's Chain

Fuming Mouth

Dragged through my mind while I scrape at my skin
Living forever but waiting to die
Waiting to die
Waiting to die

Waiting to die but I'll live forever
Waiting to die or am I still alive
My body decays

Tear off my jaw before I grind my teeth to dust
Trapped in my mind. Living forever but waiting to die

Pull me apart
Tear me to shreds
I'll never die
I'll never rest
