

# The Lunatics (have Taken Over The Asylum)

Fun Boy Three

I see a clinic full of cynics  
Who want to twist the peoples' wrist  
They're watching every move we make  
We're all included on the list

The lunatics have taken over the asylum  
The lunatics have taken over the asylum

No nuclear the cowboy told us  
And who am i to disagree  
'Cos when the madman flips the switch  
The nuclear will go for me

The lunatics have taken over the asylum  
The lunatics have taken over the asylum

I've seen the faces of starvation  
But i just can not see the points  
'Cos there's so much food here today  
That no one wants to take away

The lunatics have taken over the asylum  
The lunatics have taken over the asylum  
The lunatics have taken over the asylum - take away my right to  
choose  
The lunatics have taken over the asylum - take away my point of  
view  
The lunatics have taken over the asylum  
The lunatics have taken over the asylum - take away my dignity,  
Take these things away from me  
The lunatics have taken over the asylum  
The lunatics have taken over the asylum - take away my family,  
Take away the right to speak  
The lunatics have taken over the asylum take away my point of v  
iew,  
Take away my right to choose
