

# Celebration

Fun Factory

Let's have a celebration by the sea  
And get together in peace in harmony  
A celebration come and have some fun  
Singing oh oh oh oh oh oh oh oh oh oh

Bang bang bang  
Here comes the jam  
It's the Fun Factory  
Coming with the next party-jam  
So what's up what's on  
Baby come on tell me  
Is it me is it you  
Tell me tell me please  
don't play me  
Chillin' with the girlies  
Ridin' with the fellows in my car  
Singin' dididididida  
So come on  
Wave your hands in the air  
So come on wave it  
Like you just don't care  
And if you're down  
With the Fun Factory groove  
Somebody say oh yeah

Let's have a celebration by the sea  
And get together in peace in harmony  
A celebration come and have some fun  
Singing oh oh oh oh oh oh oh oh

Slam slam slam  
Here comes the van  
It's Fun Factory  
And we do the best we can  
We ringadingding  
And we ringaringdong  
We hype up the place  
With the bombastic song  
We move to the left  
We move to the right  
And we wave  
Our hands from side to side  
You better step back  
Cause we don't stop  
we want  
let's step together  
and have some fun

There is a place  
Where we have some fun  
Yes it's better  
All together  
And we're dancing one on one

There is a place  
Where we have some fun  
Yes it's better

All together  
And we're dancing one on one

Let's have a celebration by the sea  
And get together in peace in harmony  
A celebration come and have some fun  
Singing oh oh oh oh oh oh oh oh

Let's have a celebration by the sea  
And get together in peace in harmony  
A celebration come and have some fun  
Singing oh oh oh oh oh oh oh oh

Singing oh oh oh oh oh oh oh oh  
Singing oh oh oh oh oh oh oh oh  
Oh yeah
