Summeday, summerday  
Livin' our life just the easy way

Let's celebrate the summer  
'Cause the summer makes my day

Oh, oh, oh, oho oho

It's summertime and we're feelin 'fine  
Just come along, it's a celebration  
Forget your worries  
And enjoy your life this time  
'Cause everything will be alright

Heyyyy it's a summerday  
Get the pool ready I'm on my way  
Steve set up the grill  
And I'm gettin' the hay  
Get the water guns ready  
I'm ready to play  
What else can we do on a sunny day  
Watching pretty girls flossing  
Like in St.Tropez  
Brown eyes cute smile  
And curves for days  
Salut the summer in every way

Summertime girl so fly, I can't lie  
When they walk by,  
Got me screaming oh my  
Love the way, you working them thighs  
Them hips, them lips, them sexy eyes
