

# Carry On

Fun.

**E A E A E A E A**

**E A**  
1. Well I woke up to the sound of silence and guns  
were cutting like knives in a fist fight  
**E A**  
And I found you with a bottle of wine  
**A E A**  
your head in the curtains and heart like the 4th of July  
**E**  
You swore and said we are not  
**F#**  
we are not shining stars  
**As**  
This I know  
**A2**  
cause I never said we are  
**E**  
Though I've never been through hell like that  
**A E A**  
I've closed enough windows to know you can never look back

**E A B**  
R: If you're lost and alone, or you're sinkin like a stone  
Carry on  
**E A B**  
May your past be the sound of your feet upon the ground  
Carry on  
**E A E A**  
Carry on carry on

2. So I met up with some friends at the edge of the night  
at a bar off 75  
And we talked and talked about how our parents will die  
All our neighbors and wives

**E**  
X: But I'd like to think  
**F#**  
I can cheat it all  
**As A2**  
to make up for the times i've been cheated on  
**E**  
And it's nice to know  
**F#**  
when I was left for dead  
**As**  
I was found and I know not these streets  
**A2 B2**  
I am not the ghost you want to be

**E A B**
