

# One Foot

Fun.

**Es** **As** **B** **Es As B**  
I'm standing in Brooklyn just waiting for something to happen.

**Es** **As** **B** **Es As B**  
I can't help but love thinking that everyone doesn't get it.

**Es** **As** **B**  
To my left there's a window Where did I go?

**Es** **As** **B**  
My reflection just planted two rows of coal  
**Es** **As** **B** **Es As B**  
And bad ideas, but ideas nonetheless and so

**Es** **As** **B** **Es**  
I put one foot in front of the other one. (Oh oh oh!)

**As** **B** **Es** **As** **B** **Es As B**  
I don't need a new love or a new life just a better place to die.

**Es** **As** **B** **Es**  
I put one foot in front of the other one. (Oh oh oh!)

**As** **B** **Es** **As** **B** **Es As B**  
I don't need a new love or a new life just a better place to die.

I happen to stumble upon a chapel last night.  
And I can't help but back up when I think of what happens inside.  
I got friends looked in boxes. And no way to live.  
But you call it a sin. Isn't up to them.  
After all, after all I thought we were all your children,  
But I will die for my own sins thanks a lot.  
We'll rise up ourselves thanks for nothing at all,  
so up off the ground up for fathers who are nothing but dust now.

I put one foot in front of the other one. (Oh oh oh!)  
I don't need a new love or a new life just a better place to die.  
I put one foot in front of the other one. (Oh oh oh!)  
I don't need a new love or a new life just a better place to die.

Maybe I should learn to shut my mouth.  
I am over twenty-five and I can't make a name for myself some nights  
I break down and cry  
I'm lucky that my father's still alive he's been fighting all his lif  
e  
and if this is all I've ever know then may his soul live on forever i  
n my song.

I put one foot in front of the other one. (Oh oh oh!)  
I don't need a new love or a new life just a better place to die.  
I put one foot in front of the other one. (Oh oh oh!)  
I don't need a new love or a new life just a better place to die.

In front of the other one  
In front of the other one  
Just a better place to die.
