Funeral Rape

Cock Christ, Cock Christ...

Sheï's a necrophiliac bitch
And she loves to suck the cocks of the dead.
She also likes rapist coagulated cum
That found in the mortuary's cunt.

A very depraved woman that
Dreaming every night the penis of christ,
So, she exhumes the sacred corpse
And makes a savage orgy with blacks,
Drinking fresh sperm
While she masturbates herself with a cross.

Bastard eating-cum slut,
She invites also dog and horses
Because she wants to die
With a big monster cock in the ass.

Endless party with living
And dead people,
Animal and vibrator
To deconsacrate the holy corpse.

Cock Christ, Cock Christ...
