

Crowded Out

Funeral Suits

Say
Say what you see
I see a colour cascading
A lightning escaping our hearts
Though you said we were free
Catch our jackets on fences
We come to our senses and breathe

Sail
I sail out to sea
Washing up
Up on beaches
We slowly abandon our dreams
So be who you want to be
Let the water unfold you and float till
You get underneath
I see you
I see you

Sail
I sail out to sea
Washing up
Up on beaches
We slowly abandon our dreams
So be who you want to be
Let the water unfold you and float till
You get underneath

You carry me

I see you
I see you
I see you

Like a lion
I get crowded out
When the Sun is up
My head goes down
Tongue is out
I start to charge
My eyes are closed

Like a lion
I get crowded out
When the Sun is up
My head goes down
Tongue is out
I start to charge
My eyes are closed

My eyes are closed

Sail
I sail out to sea
Washing up
Up on beaches
We slowly abandon our dreams

So be who you want to be
Let the water unfold you and float till
You get underneath

You carry me
