

# Tree of Life

## Funeral Suits

Every day I wake up for the daily trail  
And yeah I try  
Brush my teeth before I drink some coffee  
Wash my face it's on and on a routine  
Make it out the flat and to the corner shop  
Where they don't sell a lot  
Buy a coke and read the magazines  
Faces staring back I seen on TV  
When I get to work I'm told I'm on the clock  
Tick tick tick tick tick tick  
Well I don't like these four walls that I'm seeing  
So it's behind my eyes where I'll be dreaming  
We are but a flower on this tree of life  
And no I don't believe that anybody dies  
Cause we can fly

We crawled out of the sea  
Climbed into the trees  
Chopped down the forests to build our cities  
If we put this bird in a cage  
It will not learn to sing

We follow our dreams  
That turn into schemes  
Hunger for profits and count up the gains  
Three little pigs  
And a big wolf  
All on the list  
Welcome to the party...

Between morning and sunset I go through my day  
Amazed by the beauty in everything  
We got trees for lungs  
And birds to sing us to  
Life under skies of a dawn shining bright  
Last night I drank a bottle of the blood of Christ  
Who are they to say what kind of love ain't right?  
When I was a child I always found that hard  
To understand  
Me, I share my love with everybody  
Now I got the power you can't stop me

We crawled out of the sea  
Climbed into the trees  
Chopped down the forests to build our cities  
If we put this bird in a cage  
It will not learn to sing

We follow our dreams  
That turn into schemes  
Hunger for profits and count up the gains  
Three little pigs  
And a big wolf  
All on the list  
Welcome to the party

If you're waiting on the hand of God

Don't wait so long cause he's been and gone  
Look outside yourself to see  
You're not alone, you're not alone

Every day I wake up for the daily trail,  
And yeah I try  
Brush my teeth before I drink some coffee,  
Wash my face it's on and on a routine

You're waiting on the hand of God  
You're not alone, you're not alone.
