

Free Your Mind and Your Ass Will Follow

Funkadelic

Free your mind and your ass will follow
The kingdom of heaven is within

Open up your funky mind and you can fly
Free your mind and your ass will follow
The kingdom of heaven is within

Freedom is free of the need to be free

Free your mind and your ass will follow
The kingdom of heaven is within

Yeah

Free your mind and your ass will follow (your ass will follow)
The kingdom of heaven is within
Whoa!

Free your mind (will you free your mind?)
And your ass will follow (and your ass will follow)
I have never, never never
Never in my life
Had this given to me

Free your mind and your ass will follow
Say your mind
Not like you, boy (not like you)
You are as free as you want to be (your ass will follow)

Well, I discovered that this life that was gettin' to me
Is not really mine (Free your mind and your ass will follow)
If it were mine, I would have fun all of the time
I'm very disgruntled now
Now, I want a way out, now
I have to find a way
I have to find some way out
Free your mind and your ass will follow
Give it up, give it up (free your mind and your ass will follow)
Give it up and give it to me, baby

I'm calling you love
Love
...From my heart

Free your mind and your ass will follow

Wowww!

Free your mind and your ass will follow The kingdom of heaven is within
Free your mind and your ass will follow
Get it on!
Free your mind and your ass will follow
The kingdom of heaven is within
Free your mind and your ass will follow
The kingdom of heaven is within
The kingdom of heaven is within (free your mind!)
The kingdom of heaven is within (free your mind yawf)
The kingdom of heaven is within

The kingdom of heaven is within (are you satisfied?)
The kingdom of heaven is within
(I wanna know! Free your mind and your ass will follow)
The kingdom of heaven is within (I Really care)
The kingdom of heaven is within
The kingdom of heaven is within
I'm so confused about it all I'm so confused about the whole thing
I don't understand
I don't understand nothin'
I don't know what I feel
I can't feel me, I can't live me, I can't be me
My mind, it does not belong to me
I'm so confused I can't hear myself
I can't hear myself calling for help
I can't free my mind
So my ass can't follow
Someone help me
I got to get help
Here's my arm
Help me escape
I don't want to I can't free my mind
No, no, no
They won't free me
I can't run
I can't get out
I can't free my mind I'm so mixed up
So mixed up
What time is it?
Resurrection, free of charge
I can't hear me Free your mind and your ass will follow
I can't
Free your mind and your ass will follow
The kingdom of heaven is within Free your mind and your ass will follow
