

Some Fresh Delic

Funkadelic

Yo!
Yo!
Nail 'em to the wall, y'all (Say what)
Nail 'em to the wall, y'all (Say what y'all)
On the back burner you can just simmer around
But on the front burner you got to burn (Say what)
On the back burner you can just simmer around
But on the front burner you got to burn (Say what y'all)
Yo, so you want some fresh 'delic, hey
Stay 'round, we gonna play
Put on your sunglasses y'all
Your future ain't never looked so bright
So you want some fresh 'delic, hey (Say what)
On the back burner you can just simmer around
But on the front burner you got to burn
On the back burner you can just simmer around
But on the front burner you got to burn (Say what)
Say what y'all
Say what
Oh, nail 'em to the wall y'all
Ugh, nail 'em to the wall y'all
Play on, brother (Say what)
Say what y'all
Shake what you bought wit'cha
You know what it's gonna get'cha
Shake what you bought wit'cha

Nail 'em to the wall y'all

Nail 'em to the wall y'all
So you want some fresh 'delic, hey
Listen while we play
Play on, brother
Look at my feet
Dancin' to the beat
Take a look at my feet
Huh, huh (Say what)
Say what y'all
Huh, huh
Huh, huh
Huh, huh
Huh, say what
Say what now
All that is good is nasty
And nothing is good unless you play with it
May we play with it?
Say what, play on baba
Say what y'all, say what
Ahh, ahh, ahh, ahh!
Ahh, ahh, ahh, ahh!
