

## Falling Apart

## Fury In The Slaughterhouse

Falling apart ... right from the start  
Always had harder questions  
For all these flimsy answers

Falling from grace ... locked away in outer space  
Saving deep emotions never touched upon

Falling apart  
Falling apart

Falling apart ... right before the start  
Broken heart....fallout  
Lost in dirt and dust

Tried to escape vanity and hate  
Iç£ not the one providing answers  
Can barely help myself

Falling apart  
Falling apart  
Iç£ Falling apart
