

## Vincent & Victoria

### Fury In The Slaughterhouse

Vincent and Victoria  
Won't come home today  
NY Waldorf Astoria  
On the roof they sway  
Life falls into oblivion  
Their fear is far away  
And the wind blows down 5th Avenue  
Together they will stay  
Today's the day

Oh oh oh .....  
When things become impossible  
And even angels cry  
There's one way left to keep the love  
This is no goodbye  
eyes up to the sky  
cause all beauty must die

Surf & turf and chardonnay  
on daddy's credit card  
the perfect meal, the perfect day  
noone will tear apart  
Vincent & Victoria  
Their checkout is delayed  
Two towels on the bathroom floor  
Eternity can't wait

... too late

Oh oh oh ....
