

Your Love Won't Take Me Anywhere

Fury In The Slaughterhouse

I tell you complicated girls
Are complicated lovers
And mostly later they become
Complicated mothers

You say you love me, I don't care
'cause you're love won't take me anywhere
You're love won't take me anywhere, babe
You say you love me, I don't care
'cause you're love won't take me anywhere
Oh yeah

Come on not another try
'cause the time is really wasted
Crap declared as first class meal
And I paid before I tasted

You say you love me, I don't care
'cause you're love won't take me anywhere
You're love won't take me anywhere, babe
You say you love me, I don't care
'cause you're love won't take me anywhere
Hmm, hmm
Yeah

Empty tea cups and the look of angry mothers
A lonely angel hidden inbetween the others
With wings so white much to white to fly
A handicaped angel in a wheelchair passes by
Soken wet I awake you are away
A smile comes in my face and suddenly I say
Jippee yo jippeyay
Jippee yo jippeyay
Jippee yo jippeyay

You're love won't take me anywhere
You're love won't take me anywhere, babe
You say you love me, I don't care
'cause you're love won't take me anywhere

Anywhere, anyhow
Yeah yeah
Anywhere
