

## Buss A Shot

Fuse ODG

Ay  
We dey outside with this one  
Abontin  
OK

Buss a shot if you feeling the vibe now  
Take a shot 'cause you feeling alive now  
Baby fine and she know say I like her  
Getting dough so we spending tonight uh

Get it every day  
And we outside see the money affi make  
Hot line ringing never getting it on faith  
All that dollar had to come in by the crate yeah yeah

Buss a shot if you feeling the vibe now  
Take a shot 'cause you feeling alive now  
Baby fine and she know say I like her  
Getting dough so we spending tonight uh

Shorty wanna leave before the party done  
She wanna pull up and have some fun  
Gave her the pin to the location  
Soon as we touch down the party gone  
Say she want it now 'cause she no patient  
But if you patient I'll give operation  
'Cause I got the cure for your condition  
So move it for me  
Make I check that body

Buss a shot if you feeling the vibe now  
Take a shot 'cause you feeling alive now  
Baby fine and she know say I like her  
Getting dough so we spending tonight uh

Get it every day  
And we outside see the money affi make  
Hot line ringing never getting it on faith  
All that dollar had to come in by the crate yeah yeah

Buss a shot if you feeling the vibe now  
Take a shot 'cause you feeling alive now  
Baby fine and she know say I like her  
Getting dough so we spending tonight uh

They say I'm crazy I'm getting paper I'm flashy  
They love me better when I'm mash up and ashy  
Swag getting murked everything so classy  
Clean like church from time no last week  
Dem no wanna see us on the function bill ah  
Pull up with my dons that's my London killers  
Freeze  
But e no be random picture  
They're snapping and shooting but no be content for twitter

Buss a shot if you feeling the vibe now  
Take a shot 'cause you feeling alive now

Baby fine and she know say I like her  
Getting dough so we spending tonight uh

Get it every day  
And we outside see the money affi make  
Hot line ringing never getting it on faith  
All that dollar had to come in by the crate yeah yeah

Buss a shot if you feeling the vibe now  
Take a shot 'cause you feeling alive now  
Baby fine and she know say I like her  
Getting dough so we spending tonight uh
