

# Cease Fire

Fuse ODG

Oof

This one's going off

This be this be blow the smoke off the barrel of the gun (raa)

Abena Cinderella (eh Cinder)

Answer the call

Make I no bore

Can you meet me for I love you street bebe

Make we break up

I want to break up

'Cause you make I dey borrow (borrow)

Love and affection (zero)

You make ma balls change colour colour oh (my balls o)

You can't kill me Caro (Caro)

Pepper man o (man o)

I no dey for you

I no dey

You can't kill me Caro (Caro)

Pepper man o (man o)

I no dey for you

I no dey

Baby why you moving left left

Me I just wan do you right right

Give me the thumbs up baby say yes yes

Baby I go give you what you like like

I no slide in then left left

Me I just wanna do you right right

Got me going up and down

First you down then you up like a lift

Take it off

So girl open your door make I enter

Make I knock make I wok nacupenda

You and I in a war no surrender

Fire shots till you drop I go end ya

And I'm humble and cool but remember

If I catch you like a rule I go bend ya

When I'm done with you you go move your calendar

Remove your agenda

No one go fit hear from you till November

Freeze (cease fire)

I'm holding my weapon so drop on your knees

Before you go down baby stop and release

Make you give you what I need

You can't kill me Caro (Caro)

Pepper man o (man o)

I no dey for you

I no dey

You can't kill me Caro (Caro)

Pepper man o (man o)

I no dey for you

I no dey

Baby why you moving left left  
Me I just wan do you right right  
Give me the thumbs up baby say yes yes  
Baby I go give you what you like like  
I no slide in then left left  
Me I just wanna do you right right  
Got me going up and down  
First you down then you up like a lift  
Take it off
