Raa raa raa raa raa raa raa raa  
Raa raa raa raa raa raa raa raa

This one for the gyalie grinding every week o  
Making money money higher than trees grow  
I go ride for you like I'm Steven Biko  
Coz look at the body body body it's peak o  
Said she coming Ghana pull up to Afrikiko  
Hotter than sauna from your head to your feet o  
We can dance dance shorty move to the beat o  
This be Afrobeats e no be despacito

When I took her to the yard shorty was a freak o  
What's your plans plans plans for the week o  
She said damn damn it's you and me o  
I go ride you up and down like you be see-saw

Said I'm coming for the crown just give me my seat o  
You can never walk a mile in my feet o  
When you see the King bow down and greet o  
Tell em move when they see me dem not in my league o

We go tun up all night  
We no go retire  
We higher than a kite in the deep sky  
More fire for their head top  
It's more fire  
More fire for their head top  
It's more fire

We go tun up all night  
We no go retire  
We higher than a kite in the deep sky  
More fire for their head top  
It's more fire  
More fire for their head top  
It's more fire ay

Part 2 for my people  
We've been through a lot it's really deep o  
Party with my people  
Tell a baddie drop and give me treat o  
Girl you give me what I want and everything I need o  
See the body that you carry sweeter than nido  
Make i chop it make I sip it whatever the meal o  
You the kind of woman that need to carry my seed o  
Anybody bother you I swear I go kill o  
Promise I go body you leave you for the street o  
Tell a DJ reload  
This one na hit o

We go tun up all night  
We no go retire  
We higher than a kite in the deep sky  
More fire for their head top

It's more fire  
More fire for their head top  
It's more fire

We go tun up all night  
We no go retire  
We higher than a kite in the deep sky  
More fire for their head top  
It's more fire  
More fire for their head top  
It's more fire ay

It's Fuse  
Ay!  
Ei Rymez you really brought the vibes for the people  
Coz all I'm hearing is the people going
