

# No Daylight

Fuse ODG

She was 14, I was 15  
Me and Habibi had some big dreams  
But we got lost up in the city  
Oohh do you think about me?  
We used to sneak up in them big raves  
You used to wine up on me this way, that way, this way, that way  
You just wanted to be in my arms yeah

She said tonight, tonight, tonight  
I don't wanna see no daylight now  
Me no wanna see no daylight now  
Everything is too okay right now, yeah yeah

Tonight, tonight, tonight  
I don't wanna see no daylight now  
Me no wanna see no daylight now  
Everything is too okay right now, yeah

Don't want to go home, to go home  
To go home, to go home  
Don't want to go home, to go home  
To go home, to go home  
Don't want to go

Used to playfight at the movies  
Throwing popcorns, spilling smoothies  
Me and Habibi so unruly  
Oohh gave you a piggyback oh (a piggyback)  
Then I fell on my back oh (fell on my back)  
Gave you some bruises  
But you went home and you told your mum excuses  
We stayed out all night

She said tonight, tonight, tonight  
I don't wanna see no daylight now  
Me no wanna see no daylight now  
Everything is too okay right now, yeah yeah

Tonight, tonight, tonight  
I don't wanna see no daylight now  
Me no wanna see no daylight now  
Everything is too okay right now, yeah

Don't want to go home, to go home  
To go home, to go home  
Don't want to go home, to go home  
To go home, to go home  
Don't want to go

Now raise your leg like this o (your leg like this)  
The other leg like that o (that leg like that)  
Now break your back like this o (your back like this)  
And bring it back like that o (it back like that)  
Give me a piggyback o (a piggyback)  
But don't fall on your back o (fall on your back)  
Don't need no bruises  
I don't wanna go home, I just wanna do this

We go be here all night

She said tonight, tonight, tonight  
I don't wanna see no daylight now  
Me no wanna see no daylight now  
Everything is too okay right now, yeah yeah

Tonight, tonight, tonight  
I don't wanna see no daylight now  
Me no wanna see no daylight now  
Everything is too okay right now, yeah

Don't want to go home, to go home  
To go home, to go home  
Don't want to go home, to go home  
To go home, to go home  
Don't want to go
