

On a Million

Fuse ODG

I know you have it in ya
Coz you're a natural born winner
You for give them like they're sinners
(Give them give them)
Ayayayaa it's time to deliver

Release release release release release release
Release release release release release release

Put the pressure on them
Release release release
Put the pressure on them
Release it on them

That's on a million o
That's on a Million o done know
That's on a million o
That's on a Million o done know
That's on a million o
That's on a Million o done know
That's on a million o
That's on a Million o done know

That's on a million you done know
I put my money on you you're the one o
That's on a million you done know
I put it all on you you're the one o

That's on a million o
That's on a Million o done know
That's on a million o
That's on a Million o done know
That's on a million o
That's on a Million o done know
That's on a million o
That's on a Million o done know

That's on a million you done know
I put my money on you you're the one o
That's on a million you done know
I put it all on you you're the one o

That's on a million you done know
I put my money on you you're the one o
That's on a million you done know
I put it all on you you're the one o

That's on a million o
That's on a Million o done know
That's on a million o
That's on a Million o done know
That's on a million o
That's on a Million o done know
That's on a million o
That's on a Million o done know

That's on a million you done know

I put my money on you you're the one o
That's on a million you done know
I put it all on you you're the one o

That's on a million you done know
I put my money on you you're the one o
That's on a million you done know
I put it all on you you're the one o

That's on a million o
That's on a Million o done know
That's on a million o
That's on a Million o done know
That's on a million o
That's on a Million o done know
That's on a million o
That's on a Million o done know

That's on a million you done know
I put my money on you you're the one o
That's on a million you done know
I put it all on you you're the one o

That's on a million you done know
I put my money on you you're the one o
That's on a million you done know
I put it all on you you're the one o

It's Fuse
And Drumboss Heavy K
Hear the kick and the bass
Time to shut down the place
Raa Raa Raah
From Ghana to SA
London down to LA
Mr Hackett
It's a worldwide movement
Drumboss bring it back let's go
