Gat me moving so different, gat me moving so different

I no be the type that will stay for, stay for hours
No be type that will pay for, pay for flowers
No be the type that will stay for, stay for hours
Usually hit, run, then I'm gone, nice to meet you we had fun
(But you gat me screaming)

Hey Yolanda!
Tried to call you last night
But you never really picked to answer
Now I'm searching your Instagram
For pics and answers
Now I'm way down in May 2016
Wanna know your history (ha ha ha)

I'm stalking on you, stalking stalking on you
Cos I'm falling for you, wanna know if your love is true
I'm stalking on you, stalking stalking on you
Cos I'm falling for you, wanna know if your love is true

Bad man don't usually fall like this so
Please, don't make a fool of me (ha ha ha)

Give me strength, give me power
Give me sweet, give me sweet, give me sour
She give me kiss, give me this, give me that one

From the bed to shower
Then we moved to the kitchen talk salsa
And we both have work in an hour
So we moved took a nap, shii that's power
