

I'm a Vampire

Future Bible Heroes

I never age and I'll never die
Unlike all the stars in the sky
I'll be young forever
But why?
Cause I'm a vampire
Dear, for whose victims I shed no tear
I am neither sweet nor sincere
And I'd rather drink blood than beer
Cause I'm a vampire
The sun will never touch me
I abhor its filthy light
I am the mistress of the damned
And of the children of the night
I have all the love I need
It is your blood I crave
I am the bitch goddess from beyond your grave
I can turn into a bat
I can cast the evil eye
I have ever so much money
I'm gorgeous
And I can fly
I survived the Inquisition
Been a harlot
Been a queen
Survived for seven hundred years
And still look seventeen
Hon, one from whom you really should run
I despise the light of the sun
And I kill your kind just for fun
Cause I'm a vampire
Damn, I am what?
I am what I am
And I am impossibly glam
And I am happy as a clam
Cause I'm a vampire
Blanche, with a blood flow no one can stanch
A blood flow
A blood avalanche
I'm a tidal wave of tarantulas
