Future Islands

Love is the reason I'm still holding ground
Life isn't perfect parties and perfect sounds
Death is in season, it's pushing me 'round
And 'round and 'round
A bottle cap, a rusted crown

When one pushes up, the other pulls me down
And I don't know if I'll get out, if I'll get out
One pushes up, the other pulls me down
And I don't know if I'll get out, if I'll get out

This one makes you big in a cruel world
This one makes you small in a lonely world
This one takes it all away, all the pain
But I'm not giving up
Not today, not today

There's life in this tunnel, we're just hanging around
Please, if you see my hand, just pull me out
'Cause there's death in this tunnel
Still hanging on me, still begging on me

'Cause when one pushes up, the other pulls me down
And I don't know if I'll get out, if I'll be found

This one makes you big, what a cruel world
This one makes you small, feel that lonely world
This one takes it all away, but I'll stay
'Cause I won't give you up
Not today, I won't
I won't give you up
