

Working To Be Loved

Future of Forestry

I might feel a little better in the day time
I might feel a little better if I told you why
I'd feel better if I told you why

I might say a little something if you don't mind
I might say a little too much in the meantime
I'm saying too much in the meantime

I'm so tired of working
For so long to be loved
I'm so tired of working so long
I'm tired of working to be loved

I might see a little better if I just get out
I might see a little better if I saw you now

I might trust a little if I didn't test you out
I might trust you but you're gonna have to show me how
