

# Panic Paralysis

Future Palace

I can't think straight  
Once again I am late  
I make many mistakes  
I really don't feel that great  
Nobody might see, that daily fight I have with me  
My head works like an anarchy  
It consumes all my energy

There should be a way to fix this  
'Cause I'm slowly at my limit

I'm terrified  
I can't move, can't think, it's like I'm  
Paralyzed  
But I keep fighting, I keep fighting my own mind

Keep fighting, I keep fighting my own mind  
But I keep fighting, I keep fighting

I achieved so many dreams  
But I'm still useless as it seems  
I have no power over me  
It's like a god damn lottery  
Can I mute the noise inside my head  
Which always leads to being sad  
A cycle I'm so tired of, might fall asleep to shut it off

Trying to control it  
But I guess I am an unfit

I'm terrified  
I can't move, can't think, it's like I'm  
Paralyzed  
But I keep fighting, I keep fighting  
I'm stuck in slow motion  
I can't change a thing  
I feel like frozen  
Can't move or think and I  
Keep fighting, I keep fighting my own mind

But I keep fighting, keep fighting my own mind

So help me out of this state  
I don't like living this way  
I feel like I'm going insane  
Forever stuck in this tragedy but I'll never obey

I'm terrified  
I can't move, can't think, it's like I'm  
Paralyzed  
But I keep fighting, I keep fighting  
I'm stuck in slow motion  
I can't change a thing  
I feel like frozen  
Can't move or think and I  
Keep fighting, I keep fighting my own mind

But I keep fighting, I keep fighting my own mind  
But I, but I, but I

But I keep fighting, I keep fighting my own mind
