

# Roses

Future Palace

I'm blooming up I'm at my top  
I was so close to lose it all  
Smart enough I kept moving on  
Even though my life was falling apart  
Oh I fell so hard while I was on my own

But I won't ever

I won't miss you - Melancholia  
I'm blooming up higher  
Higher, higher, higher  
Can you see through these petals  
They took up many shadows  
I won't miss you - Melancholia

A light shines through a blossom tree  
Serotonin's setting free  
I'm glad to be, a different me  
And now I'm chasing my own happiness  
I want my dreams, I won't take less  
Without these thorns, that used to take all my hope

But I won't ever

I won't miss you - Melancholia  
I'm blooming up higher  
Higher, higher, higher  
Can you see through these petals  
They took up many shadows  
I won't miss you - Melancholia

No I won't ever, ever, ever  
Be the same again  
I was so ashamed, ashamed, ashamed of myself  
Back then, back then, back then, back then

I'm blooming up  
I'm blooming up  
I'm at my top  
I'm at my top  
I was so close to lose it all

I won't miss you - Melancholia  
I'm blooming up higher  
Higher, higher, higher  
Can you see through these petals  
They took up many shadows  
I won't miss you - Melancholia

I won't miss you Melancholia  
You've been so hard on me  
I won't miss you Melancholia  
You've been so hard on me - my friend
