

## Abu Outro Astronaut Status

Future

Where's Future, where's the Freeband gang (God man)  
I haven't even seen you guys around  
Used to come in my store  
Now I don't see anybody  
The streets are dry  
We can't be in your store all day  
Goddamn it, smellin' like incense and hummus (Hmm)  
Yo, we been on the road Abu  
Where you been?  
Man, we been gettin' to it, man, road to riches man  
You been to pluto? (Hmm?)  
Pluto? Man, I'm talkin' bout astronaut status Abu  
Astronaut status? (Hmm?)  
What did you say? Astronaut status? (Hmm?)
