

Blow

Future

(Future.)

Blow that money like a candle block.

Blow that kush like a candle block.

(Ludah, astronaut, astronaut.)

Blow that money like a candle block.

(Big rock up.)

Blow that kush like a candle.

I got brick fare on me right now and I'll blow it.

40 racks stuffed down in my denim, I'll blow it.

Take a gram of kush and roll it in a blunt, I blow it.

What I spent today you spend it in a month, yea I blow it.

Blow, blow, blow that money like a candle.

Blow, blow that kush like a candle.

(Big money music.)

Blow, blow that money like a candle.

Blow, blow that kush like a candle.

What a bird go for? (Go for.)

I got that in my coat. (That in my coat.)

Say 35 racks?

I could buy a kilo.
