Ay, the feeling I get, the feeling I get

You make me feel like the world feel 'bout a billion dollars  
You make me feel like my life ain't got no problems  
You make me feel like all if my dreams will come true  
That's why I do the things that I do  
The feeling I get from you  
The feeling I get from you  
The feeling I get from you

Charisma, demeanor my lean go my to my vocab  
Scribing 'til you fuck with me like Moses

These diamonds don't mean a thing to me  
In my song I don't repeat  
I been fucked up inside the streets

Pray to God for my niggas  
You part of me nigga
