

## Life Is Good

Future

Working on the weekend like usual  
Way off in the deep end like usual  
Niggas swear they passed us, they doing too much  
Haven't done my taxes, I'm too turnt up  
Virgil got a Patek on my wrist going nuts  
Niggas caught me slipping once, okay, so what?  
Someone hit your block up, I'd tell you if it was us  
Manor house in Rosewood, this shit too plush  
Say my days are numbered, but I keep waking up  
Know you see my texts, baby, please say something  
Wine by the glass, your man a cheapskate, huh?  
Niggas gotta move off my release day, huh?

Bitch, this is fame, not clout  
I don't even know what that's about, watch your mouth  
Baby got a ego twice the size of the crib  
I can never tell her shit, it is what it is (What)  
Said what I had to and did what I did (Aye)  
Never turn my back on FBG, God forbid (What)  
Virgil got the Patek on my wrist doing front flips  
Giving you my number, but don't hit me on no dumb shit
