Future

Streetz Calling!  
Future, future  
Whoa, whoa!  
Whoa, whoa, whoa, whoa, ay!

I walk on Jimmy, got the smoke on loud  
I got perfect attendance, bring that work to yo town  
'Cause I made myself a boss I made myself I made myself a boss  
I made myself a boss, I made myself a boss  
I paid my grandma rent, and got my little sister a house  
I keep a pocket full of money any time I'm stepping out  
'Cause I my made myself a boss, I made myself a boss  
I made myself a boss. Yeah. I made myself a boss

I'm walking on a stack of tens, so every step is immaculate  
All this fucking cash I count, you gon' think I inherit it  
I'm a free band nigga on a hero ship  
All we do is inherit bricks  
Come and get some water whips  
I'm on Cancun on a water trip  
I'll take that cash and flip that cash  
Go to 5th and I'll spaz  
Versace, [?] Bally bags  
Got a phone book inside my pants  
Got racks in left and right pocket, you know we call them football pads  
When I re-up, got to use a ladder when I count them bands  
Ay! I talking to Diego. I need 20 I'm in Clay Co  
They gon' go in like an hour  
Money, cars, bad bitches, good powder  
With a good connect, you can jug 100 thousand

I walk on Jimmy, got the smoke on loud  
I got perfect attendance, bring that work to yo town

I dress up in Jimmy, and got it cheap like Wendy  
Ain't got a driver that ending, I'm 'a push to the limit  
I take highway chances, with these rap advances  
I got mouths to feed and I ain't leaving them stranded  
I go head on with the that paper like a bull  
I get hungry every time when I get full (I get money)  
Bitch I'm Tony in my city I got pull  
55 Chevy and it got them doors  
I don't wanna drive it, got he stack put up  
I'm an antique owner, and I'm as hot as a sauna  
Coming straight from the corner selling kush marijuana  
Put my hood on TV, look at those shoes on me

I walk on Jimmy, got the smoke on loud  
I got perfect attendance, bring that work to yo town  
'Cause I made myself a boss I made myself I made myself a boss
