Hold up nigga, don't be looking down  
Look around understand, new movies in town

Ya'll know they're coast to coast  
You no God dammit  
The astronaut kid been all around the world with rapping hand n

From the Free Band Gang  
If ain't Free Band, than it don't claim  
All the false claiming niggas putting  
Free Band behind this, Free Band behind that  
Guess what? Ya'll better call the mother fucking wizard  
And get it cleared  
'Cause ya'll too n... not to hear
