

RACKS BLUE

Future

Zaytoven!

I got the right ice
I can't do wrong
I got the black A.P
The Patek two-tone
I done went colorblind
I'ma get my shine on, yeah
Know how I'm feelin'
The racks blue

What I'm supposed to do when these racks blue?
Ooh, ooh
What I'm supposed to do when these racks blue?
Ooh, ooh
I shoulda gave 'em dog food and went to get noodle
I shoulda never got caught up with a cougar

Way too clever, ain't too jealous
Ain't gon' let 'em, I never settle
Life as a rebel, I'm gettin' better
Bringin' pressure, I get pleasure
Call Berettas, no vendetta
I know my heart belongs to the ghetto
Responsibilities without humility
Longevity, car from Italy
Fuck my enemies, get my salary
Fuck envy, end in tragedy
I'm your majesty, that's how I gotta be
Get more liberty, should be proud of me

What I'm supposed to do when these racks blue?
Ooh, ooh
What I'm supposed to do when these racks blue?
Ooh, ooh
What I'm supposed to do when these racks blue?
Ooh, ooh
What I'm supposed to do when these racks blue?
Ooh, ooh

I got the right ice
I can't do wrong
I got the black A.P
The Patek two-tone
I done went colorblind
I'ma get my shine on, yeah
Know how I'm feelin'
The racks blue

Comin' from poverty, hittin' the lottery
Hottest commodity, the way that it had to be
Ain't no comparin' me, you thinkin' charity
I'm thinkin' integrity, and worryin' 'bout the legacy
That I went through, thinkin' vicariously
I'm in this Wraith coupe, that's momentarily
I've been dead broke, treated unfairly
Never break me, love or hate me

She did forsake me, she wanna taste me
And showed it, gave her the blue face

What I'm supposed to do when these racks blue?
Ooh, ooh
What I'm supposed to do when these racks blue?
Ooh, ooh
What I'm supposed to do when these racks blue?
Ooh, ooh
What I'm supposed to do when these racks blue?
Ooh, ooh

I got the right ice
I can't do wrong
I got the black A.P
The Patek two-tone
I done went colorblind
I'ma get my shine on, yeah

What I'm supposed to do when these racks blue?
