

## Stick to the Models

Future

Ayy, bro, is that Jambo?  
ATL Jacob, ATL Jacob  
Yeah, Pluto  
Went through the clouds, ain't I never, never comin' down  
Never comin' down, oh  
Yeah yeah, yeah

Told my bitch to find us a bitch we can f\*ck on together tomorrow  
f\*ckin' my wrist up, f\*ckin' a brick up, yeah, go'n and hop on a charter  
I go to sprintin', I go to take off for cash, yeah, I'm not a jogger  
I went to Neptune, I went to Mars, yeah, streets get hotter than lava  
'Cause I'm in that mode, everything on go, I got a deal with my goggles  
Suicide doors, oh, reachin' my goals, thankin' my heavenly father  
I'm on my grind, ain't no slowin' down, I done put up the bottle  
I'm on that pretty boy shit, yeah, I'ma just stick to the models

I'ma just stick to the models and hit it  
I'ma just stick to the guala and get it  
I can't come up short, I'm goin' to get it  
I can afford to keep all my bitches  
I got her laid up, she bad and sady  
I got my weight up, I'm carryin' my city  
I got vicarious, my ears, they blurry  
Put up, no worries, she know she insured  
I keep it real, ain't talkin' absurd  
I lost the feelin' of drinkin' on syrup  
Put up them M's, my Federal Reserve  
Tell you the truth, I got caught in the urge  
Tell you the truth, I come up from the dirt  
She play with no panties, a lil' bitty skirt  
I hit it on Xanax and I made it squirt  
A really rich nigga, and I'm goin' berserk

Told my bitch to find us a bitch we can f\*ck on together tomorrow  
f\*ckin' my wrist up, f\*ckin' a brick up, yeah, go'n and hop on a charter  
I go to sprintin', I go to take off for cash, yeah, I'm not a jogger

I'm on that pretty boy shit, yeah, I'ma just stick to the models

I got two blonde snow bunnies  
Sendin' me pics to the 'Gram  
I got some bitches, they linin' up  
They wanna f\*ck me just 'cause who I am  
I f\*cked them gold digging bitches  
I never will love her or trust her, but pay her  
Lookin' out for her, but ain't takin' care of her  
She know it ain't no way in hell  
I keep it real with you, keep it real with me  
That's all we can do  
Know how to deal with you, know how to deal with me  
Shawty get wet as a pool  
We call it fair game  
When it come down to my bros and swappin' the hoes

I send my main thang to get your main thang  
We gon' f\*ck that ho on the low

Told my bitch to find us a bitch we can f\*ck on together tomorrow  
f\*ckin' my wrist up, f\*ckin' a brick up, yeah, go'n and hop on a charter
