I hit your hoe last night and I [?]  
Live in the sky on a jet  
Got an extendo on the tech  
Soon as they see the baguette  
I put chinchilla on the carpet  
Choppas gon' dead like New Orleans  
I paid that hoe just might want it  
I fully loaded my Rollie  
I woke up today I was high  
I woke up today in the sky  
Let's get it, let's get it  
Let's get it, let's get it (freeband)  
From city to city  
To city to city, to city  
They wet it, they wet it, they wet it  
They let me bust on their titties  
I spin it, I spin it, I spin it  
I try to forget it  
I'm callin' the shots, nigga
