

I woke you up
I know you hate that
You told me you'd call the cops
Well you're so melodramatic
And I left my best shirt
Down in your basement
And I know it's 5am and I'm drunk
But I'm coming to take it

It's you I keep
Stuck in between
When I might be having you baby
And I want you to know
I want you to know
Yeah I want you to know
I want you to know

We drove all day
Through West Virginia
And the band I'm with, we're gonna play
Gonna try to ignore ya
But I'm weak as shit
When it comes to you
And I don't want to be your lover, or your friend
But I do

It's you I keep
Stuck in between
When I might be having you baby
And I want you to know
I want you to know
Yeah I want you to know
I want you to know

I want you to know
Yeah I want you to know
I want you to know
Yeah I want you to know

Yeah I want you to know
