It's Alright

Futurebirds

Wake up in the morning check your phone first thing
Baby never texted you back
So now you're gonna die alone in this big old world
But not before you have a heartattack

It's alright don't you cry it's gonna be fine fine fine
It's alright don't you cry it's gonna be fine fine fine

Well you can't pay rent you're down to seeds and stems
So you're movin' back in with your folks
You got your girlfriend pregnant and she kicked you out
You're the butt end of a joke

It's alright don't you cry it's gonna be fine fine fine
It's alright don't you cry it's gonna be fine fine fine

It's kinda hard to describe why you don't feel like yourself
You're only barely gettin' by but you got good friends
And some things in line that you think just might help you clea
r your mind
So you're down for whatever let's ride

Now you're cruising down the road just a carryin' a load
That you can't blow alone you got your mind on a lady
That you met in some city but home is where your heart belongs

It's alright don't you cry it's gonna be fine fine fine
It's alright don't you cry it's gonna be fine fine fine

Trust me baby I've abandoned some but I was young and not delic
ate man
Now I'm all grown up you think I'd learn my lesson
But I'll always be the way that I am

It's alright I'll stay high it's gonna be fine fine fine
I'll live my life one city at a time it's gonna be fine fine fi
ne
It's alright don't you cry it's gonna be fine fine fine
It's alright I'll stay high it's gonna be fine fine fine
