

Anxious

Futuristic

Why I gotta be so anxious, I got nowhere to be
Why I gotta be so anxious, with all this in front of me
Why I gotta be so anxious
Why I gotta be so anxious, I got nowhere to be

Why I gotta be so quick, why I gotta leave my crib, why I gotta
I won't ever see my friend, I just wanna see my wind, why I got
ta
Be so nervous around you, it's unheard of what I'm 'bout to do
Running circles around [?]

Why do my feet get the shakes
Why can't I ease off the break?
Why do I leave, never stay
Why do I drink and keep going?
Alleviate all of my pain

Why, why I gotta be so unsure
Will I ever find what I'm looking for?

Why I gotta be so anxious, I got nowhere to be
Why I gotta be so anxious, with all this in front of me
Why I gotta be so anxious
Why I gotta be so anxious, I got nowhere to be

Why do I do what I do, why do I do what I do, why do I?
Why do I do what I do, why do I do what I do, why do I?
Why do I do what I do, why do I do what I do, why do I?
Why do I do what I do, why do I do what I do, why do I?
