

Bad Habit

Futuristic

I wish I knew
I wish I knew that you wanted me
I wish I knew
I wish I knew that you wanted me

What you, ooh, what you do? (I, I, I bite my tongue)
Made a move, coulda made a move (it's a bad habit)
If I knew I'd be with you (uh, yeah, kinda mad)
Is it too late to pursue? (That I didn't take a stab at it)

I wish I knew you wanted me before
I woulda texted you to see me more
Instead of Stevie wondering what you was doing when you for
With your purse behind the creaking door
Couldn't ignore my urges, I was a different person, and first of all
You was busy, ain't wanna bug you and be the first to call
Nice guys finish last, girl you know that, and what's worst of all
Is when I saw that story with someone else when we first involved

I wish I knew
I wish I knew that you wanted me
I wish I knew
I wish I knew that you wanted me

What you, ooh, what you do? (I, I, I bite my tongue)
Made a move, coulda made a move (it's a bad habit)
If I knew I'd be with you (uh, yeah, kinda mad)
Is it too late to pursue? (That I didn't take a stab at it)

I wish you told me we could be together, snowing, we could ski together
What a road [?] but thought you probably won't read the letter
I was good for you but you for me was feeling even better
Love the way you wearing open toe soon as it's sneaker weather
I woulda fought for you and sacrificed
I'll show you [?] passions life
I bite my tongue and hold it back
Shoulda spoke your mind, that's in the past

I wish I knew
I wish I knew that you wanted me
I wish I knew
I wish I knew that you wanted me

What you, ooh, what you do? (I, I, I bite my tongue)
Made a move, coulda made a move (it's a bad habit)
If I knew I'd be with you (uh, yeah, kinda mad)
Is it too late to pursue? (That I didn't take a stab at it)
