

## Co-Star

Futuristic

Been a long day, baby try one of these  
This the type of shit that your mother and father will never see  
It's just us, we don't need them  
I just wanna see you in a way you never been  
Show me something new, do something you ain't never do  
You can be the leading lady, I can be the muse  
Talk to me nice no sassy  
You can be the Damsel in distress, I'm the assassin

Won't you be... my star  
Baby won't you be... my star  
Baby won't you be... my star  
Baby won't you be... my star  
Be my co-star

Yeah, lights, camera, action, the way that you acting  
Is got me attacking, that's fatal attraction  
Career never stacked, my flow is the coldest  
So I'm like fridge you stick to me like magnet  
Your ass in them pants, it don't even make sense  
Bet you had to lay down on the matress to zip  
I can tell from your body you stay in the gym  
But you shouldn't do squats in them jeans they might rip  
Let me quit baby you can be my co-  
star, know that that's a dope part, ride me like a gold cart  
You ambitious, I get it you going so far  
So far you got me up in there going so hard  
Cold hearted, disregarded your feelings, in the bed having sex with your mir-  
ror on the ceiling  
I be acting like 'I don't wanna take it there', and then we take it there, y  
ou know you can't write the willing  
You plus me make a quick fix, scratching on my back with your French tips, s  
he don't need a jet [?]  
They don't wanna miss this, we can play video games I hope you ready for the  
hit stick  
You welcome, that's a blessing, I ain't fronting I'm possessive, I'm a teache-  
r you need lessons, you can get a private session  
They can watch it with discretion, you the one to be obsessed with, I'm the  
answer, here's the question

Won't you be... my star  
Baby won't you be... my star  
Baby won't you be... my star  
Baby won't you be... my star  
Be my co-star

Hoping you noticed that this road goes both ways  
What if I told you it's faster to go my way  
Leave you in the sun walkin' round, no shades  
Tell me why a nigga leave you stranded; road wage  
No excuses, I know how true you is  
Other niggas take you for granted, why do it  
You a star and I know they don't see that, watch out they come out when a yo-  
ung nigga [?]  
Nobody believe us, hating when they see us, Niggas playin' 'round with your  
heart and we pressin' eject  
Never let a man tell you everything that he want from you

You should be catered to cause you ain't nobody momma  
You can be Michelle baby, I can be Obama  
I can be the man, and my girl little stronger  
You can play the part baby stay a little longer  
Nah, forreal tho, stay a little longer

Baby can you tell me what you runnin' away from  
Crazy how they noticed that you runnin' when I come  
They can't have you now, no  
Show me something new, do something you ain't never do  
You can be the leading lady, I can be the muse  
Talk to me nice no sassy  
You can be the Damsel in distress, I'm the assassin

Won't you be... my star  
Baby won't you be... my star  
Baby won't you be... my star  
Baby won't you be... my star  
Be my co-star...  
Be my star  
Baby won't you be my star  
Baby won't you be my star  
Baby won't you be my star  
Be my co-star
