Futuristic

There's only one way I know how to live  
That's fast and furious  
There's only one way I know how to be  
And it's not that serious  
(Hey, OK) I'm great at a lot of things  
(Hey, OK) I won't wait, I want it all today  
If I ain't having fun I'm done  
I give it all or give it none  
I gamble hard to get me some  
Best believe imma get me some

Cause I ain't bout to work no nine to five  
Honestly it's just a waste of time

Cause I'm a dreamer  
I'm an overachiever  
Everybody told me I was stupid  
But I turned all of my haters to believers

Cause I'm a dreamer  
I'm an overachiever  
Everybody told me I was stupid  
But I turned all of my haters to believers

Sheesh

They looked at me like I was tripping  
This was written  
Born to do it  
More than music  
Every song is with intention  
Living through my words  
It's an addiction  
Got the sickness  
Spit the quickest  
I outworked my peers and always did it different

Cause I ain't bout to work no nine to five  
Honestly it's just a waste of time

Cause I'm a dreamer  
I'm an overachiever  
Everybody told me I was stupid  
But I turned all of my haters to believers

Cause I'm a dreamer  
I'm an overachiever  
Everybody told me I was stupid  
But I turned all of my haters to believers

It's a dream till it all turn real life

I can't believe this is what it feel like

And I just did it all my way  
And I don't care what people say

Cause I'm a dreamer  
I'm an overachiever  
Everybody told me I was stupid  
But I turned all of my haters to believers

Cause I'm a dreamer  
I'm an overachiever  
Everybody told me I was stupid  
But I turned all of my haters to believers

It's a dream till it all turn real life

It's a dream till it all turn real life
