

## Fuckin' Problem

Futuristic

Haha, uh, pardon my tardiness  
I was schmangin' hoes I got a fuckin' problem  
Yeah, yeah!

They say I got a fuckin' problem, yeah so?  
I'm tryna get brain, scarecrow  
Bitches stuck to a nigga like Velcro  
And this ain't no girl fight but she tryna get her hair pulled  
There go that nigga one take Timmy  
When I'm ridin' through yo city got all of my niggas with me  
'No Budget' we 'bout to do it me and D-WHY out in sixty  
Me and Kyle up in Tempe then off to Houston no Whitney, ah!  
My words are so perfect how I assort 'em  
I ain't ready for these new kids, fuck it I just abort 'em  
Always been the most important, ballin' like Michael Jordan  
Got these niggas lookin' up to me but I always been the shortes  
t...

Hmm, I'm lookin' like the nigga that you need to know  
Listen and you think about your music how it needs to grow  
Come out to a live performance just so you could see the show  
Man I'm always recordin' just like your favorite TV show  
I look good and even Stevie know, bet that  
Travel the country I'm hittin' the stage, jet lag  
Ice cold like hockey, red flag  
Me against your favorite rapper/celebrity, death match  
You a stupid ho, you a you a stupid ho  
These niggas is commercial like a motherfuckin' SuperBowl  
I save myself I got real people I do it for  
Signin' on the dotted line; some shit that make you lose ya sou  
l

I 'Lose Control' just like Missy and Ciara  
My flow is so jalapeño I found it in the Sahara  
I ain't with Fat Joe squad but known to bring terror  
Every girl is on the voice, Christina Aguilera  
[Coughs] I'm coughing cause I'm sickening  
All my flows is toxic no pop shit but that's Brittany  
2013 I'm shining like a Christmas tree  
I won't drop my album until everybody's listening  
So get with me or bungee jump with dental floss  
Middle finger up to every motherfuckin' boss  
I got sauce and I'll spray it on your mom
