

Goals

Futuristic

Yeah yeah, aw yeah
Yeah yeah, aw yeah
Yeah yeah, aw yeah
Yeah yeah, aw yeah yeah
Yeah

You like a car that I wanna drive
You like a mountain I wanna hike
You like a star I see in the sky
I like to reach, yeah (that's right)
You like a place where I wanna go
You like a house that I wanna own
You like a view from the top floor
I like to see (that's true)
I swear
You got somethin', you got somethin' everybody wants, yeah
Don't do somethin', don't do nothin' everybody does, yeah
You a goddess, you could change the world just with a look
I wanna dive into your story like my favorite book

But you don't know (you don't know)
Your potential, yeah (your potential)
But I can see it (I can see it)
Bright as day (bright as day)
But you don't know (you don't know)
Your potential, yeah (your potential)
But I can see it (I can see it)
Right away

Everything about you is goals
Everything about you is goals

You like a language I wanna learn
You like a joint that I wanna burn
You like a coat with a lot of fur
I like to wear, yeah (that's right)
You like a dream that I wanna live
A fantasy that I never did
You like a fable I tell the kids
Baby that's rare
I swear
You got somethin', you got somethin' everybody wants, yeah
Don't do somethin', don't do nothin' everybody does, yeah
You a goddess, you could change the world just with a smile
I wanna dive into your story, stay there for a while

But you don't know (you don't know)
Your potential, yeah (your potential)
But I can see it (I can see it)
Bright as day (bright as day)
But you don't know (you don't know)
Your potential, yeah (your potential)
But I can see it (I can see it)
Right away

Everything about you is goals
Everything about you is goals

Everything about you is goals
Everything about you is goals
Everything about you is goals
