You couldn't afford the shit that I get  
Or am I livin' outside my means

And flexin' for the attention  
Maybe I'm addicted to seein' me in your mentions  
I don't have class I was always suspended  
I guess my teachers never saw the vision

Cuz

My girl wants cars and purses  
I'll write more hooks and verses  
She will love me  
I'll be fresh and clean while bein' an outcast  
And we  
Will be  
Makin' out then she can take off my
