

# Happy Dance

Futuristic

Ya girl get pulled like skin from a band-aid  
Nothing that you say sticks like pam spray  
Yeah, I'm sipping vodka with the champagne  
Quit tryna block my shine, you are not a lamp shade (no)  
I swear to God that I've been on a rampage  
Jumping on buildings like that old game rampage (yeah)  
And I'm flyer than a damn plane  
Ya girl get pulled like a hamstring (ha)  
I been clowning lately  
Mixing drinks every night, I can down 'em lately  
Every town is crazy, I been 'round 'em lately  
Yo, happy-ass nigga, no frowning lately  
Cheese! Stop for the pictures  
Lemme take a sip, gotta stop for the liquor  
Homie found a baddie, gotta stop for my nigga  
Wait, she's busted, stop it my nigga, yo

I been way too high, you can never bring me down (da da da da da)  
I ain't got time for the BS, please don't ever bring that 'round (da da da da da)  
I think I got the juice, I think I got the juice (do do do do do)  
I usually don't dance, but tonight I think I got the moves

I'm just doing my happy dance (da da da da da da da da da da da)  
I'm just doing my happy dance (da da da da da da da da da da da)  
I'm just doing my happy dance (da da da da da da da da da da da)  
I'm just doing my happy dance (da da da da da da da da da da da)

Go, Go, Go, Go, Go  
Go best friend, go best friend go

Ya girl get chose like a first round draft pick (duh)  
I know imma score, I don't ever pass it (duh)  
Yeah, and my wallet full of cabbage (duh)  
I turned 21, started acting savage  
Yo, my momma living hella good though (hella good though)  
Uh, my daddy living hella good though (hella good though)  
They say "don't forget where you come from"  
I ain't ever going back to the hood though  
Yeah, I been cheesing often  
Feeling like a dentist, you can see my flossing  
And when you get mad over nothing  
That's when the kids pick on you, you an easy target  
Hold up, wait, stop for the bottles  
Need another drink, got a shot for the models  
I been in my zone all night, 'til my brody call, break, don't  
Stop the serrato

I been way too high, you can never bring me down (da da da da da)  
I ain't got time for the BS, please don't ever bring that frown (da da da da da)  
)

I think I got the juice, I think I got the juice (do do do do do)
