Okay, the F is for these fronting faking fruit loop niggas
If it's freaky Friday, then I scoop two bitches
And my flow is ferocious, I'm sicker than flu spitting
Feeling furious, cause I'm 'bout to make it and you didn't
The F is for Ferrari, I'm a baller like Amar'e
I'm fucking the finest barbies, flow is classic, like Atari
This ain't the game, but you sorry, keep it moving, like a Harley
Got more green than a safari, I'm smoking that Bob Marley
I knew I shouldn't of smoked, I forgot the F's
But if it's Friday, I'm getting faded, like Michael Epps
Count my hundreds and fifties, or feel Latina breast
We flip the bitches, then back to Franklins and flipping checks
I could flow faster then Twista and Bizzy and Busta combined
But I slow it down for these clowns
So they can repeat every one of my lines
You ain't get that? Take ya time
Futuristic's a fucking monster like Frankenstein
