

# King's Speech

Futuristic

Always talk shit  
But my breath don't stink  
Flow been running  
Better rest my sink  
Cooking these niggas  
Got the recipe  
If they mess with me  
Rest in peace  
Got drive like Uber  
Never Let the headrest  
Mic always on  
Like a bald dude with a headset  
Hit it till she squirt  
Damn got the whole bed wet  
Rock Out like Led Zep  
Uh, one take what I do  
Who you?  
Look at your whole crew  
I don't know who's who  
You look confused  
Think you need a blues clue  
2 girls, 1 Cup  
You niggas is doo doo  
All about business I need  
A new suit  
4 us by us  
My label is  
FuBu  
Microwave a nigga  
If he think he too cool  
I'm a misfit  
Like I switched to a new school!  
Upload a pic to the gram  
Yo girl with my dick in her hand  
Gross  
You should just stick to the plan  
You could sink quick in the sand, Whoa  
I know you a bitch, Mulan  
You could get folded, futon  
Every girl want the noodle, Udon  
Going hard for the green, Cruton  
Now I could see why you stressed  
Now I could see why you stressed  
Cause your life is just like my  
Little brother's room  
Because that shit is a mess  
I know that I am the best  
There's something I need to confess  
I still use an iPhone 5  
But somehow I got success  
I be out in Cali  
In the valley  
Making money  
Do my dougie  
Cause it's funny  
Sip a lot of tea  
With honey

Make em jump  
Like it's a bungee  
Shitting on em' need a huggie  
Flow is cold  
I need a snuggie  
Now my pockets  
Getting chubby  
All these women wanna touch me  
Cause I'm cuter than a puppy  
And It's like I won the lotto  
Cause I'm always getting lucky  
Now she licking my banana  
Like a motherfucking monkey  
And she not having my baby  
But she feel me in her tummy!

Let a nigga breathe!  
All these sick words in my notes  
I think my phone has got a disease  
My flow I'm Mufasa  
Long live the king!  
I feel like Mohammad Ali  
Fly like a butterfly  
Sting like a bee!  
Okay I'm back now  
You an ass clown  
Whatever that means?  
You couldn't walk in my shoes  
Like you a skinny dude and I got fat feet  
Never been in the backseat  
You probably live in a taxi  
My flow is oh-so proactive  
And I ain't never had no pimples, nigga!
