I'm the MVP but who's countin score
Got suspended for fightin somebody
He called me a nigga never heard it before

I dated a white girl then another white girl then another white girl jus like my pops
I cheated on that one I cheated on that one I cheated on that one then spun the block

I chill wit my white friends they stole a bike then they lit it on fire they do that a lot
I went back to my crib cause I wasn't like them but I look out my crib here come the cops

Except I don't, I feel left out
Nigga this & nigga that & who we scrappin
Handshakes I ain't scene before I'm peepin fashion
Gettin clowned cause the hand me down clothes I'm rockin
They say that I'm dressing white damn this is backwards
Everybody trappin cause necessity
Everybody wanna mess wit me they testin me
Askin me where I come from because I'm talkin proper
