

## New Bag

Futuristic

I  
Just jumped into a new bag said  
I  
Just jumped into a new bag said  
I  
Just jumped into a new bag said  
I  
I I I I  
Feeling too too too hot, said I need a cooler  
Yes I'm the kevspeakstruth, tell me what's it to ya?  
R-r-rapping my ass off out to Shibuya  
Pack-pack-packing my mags up a silent shooter

Shhh  
Ahh  
You see that the king is arriving  
Please do not make me be violent  
I've been at the top, ain't no climbing  
Controlling the climate  
Tell me who else get it popping?  
I'll give you a couple of options  
It's me versus me shadow boxing

I walk in to the room heavily medicated  
Usually I'm the only one melanated  
Expensive pain, bbl  
Libra mane, tip the scale  
Grandfather was a immigrant  
Gave his all just to be an American citizen  
So there's money to be made  
Yeah there's bitches to be slayed  
Head huntin' doing casting calls  
Now baby bend it over at waist  
I paint a picture in her frame  
Dali off a perc  
Goh off the sherm  
Something they ain't never seen

I  
Just jumped into a new bag said

I  
Just jumped in the bag like Grinch did  
Just jumped in the bag like sack race  
I'm gifted  
I'm sprinting  
Ain't no finish unless I finish

New bag  
I'm a new Dad really  
Been a  
Soulja boy I get silly  
Up in the booth and I go free Willy  
Free ballers  
Johnny Cochran  
Shootin' at em  
Laura Crofton  
Been grinding  
Tony Hawk em  
Man I sing to em'  
Sarah McLachlan  
Ain't no stopping  
I don't clock in  
Ya'll tick tocking my wrist watch it drip drop  
My diamonds dancing  
Dasher prancing  
Let me shine on em'  
I'm Rudolph  
And I rode off and don't make me be  
These boys playing make believe  
These numbers is major league  
Don't believe me just wait and see  
New bag with the shillings in it  
New Jag with the ceiling missing  
New pad here's a news flash  
Yeah I do rap and I kill a written like
