

Nobody Else

Futuristic

K-K-Kato on the track, bitch

If you hating on me I don't like you
It sucks that I can't come fight you
Cuz most of y'all niggas in high school
Talk loud but sweeter than a Hi-Chew
My flow been colder than an ice cube alright dude?
Know I'm staying up like nice boobs
I evolved on 'em and I'm bright like Raichu
Tycoon swear the boy hotter than tai fu
Talking five out of five on a spicys game

Top five I'm in it now
I get the money in big amounts, give it out
I help the people that's in the crowd
All of my dreams I been living out
I'm working hard like the people at In-N-Out
I'm in the game I ain't sitting down
People be trying to figure out
How I be spitting the quickest
This nigga gon' rip it like cops with the ticket they giving out
Blow like a knee cap that's given out
Travel the world and I rent it out
I bring my people to kick it now
Call that the trickle down
Whole team is winning, my chick is the thickest
I hit it the minute she stick it out
Been independent, been getting this spinach
They listen when new Futuristic out
I need to simmer down
Flow is cold as the winter, it feel like December out
I'm in the desert just sipping this liquor
That burn you the second it hit your mouth
Into my liver out
I want the pie not a sliver
My mission is get it now
Keep makin hits like a kid playin tennis
Don't compare me to none of these Lil niggas out

I ain't like nobody else, I ain't like nobody else (no)
I ain't like nobody else, I ain't like nobody else (no way)
I ain't like nobody else, I ain't like nobody else (sheesh)
I ain't like nobody else, I ain't like nobody else

Yo, all you new rappers sound the same
All you new rappers' sound is lame
All you rappers waste your whole advance on a pendant
But me, I'm off the chain
All you rappers only chase the fame
All you rappers ain't 'bout the cause
All you rappers talking guns and drugs
But you never been the one to get involved
All you rappers acting so depressed
All you rappers is a fucking mess
All you rappers ain't got no scrappers
Little bird chest when you get undressed
All you rappers don't understand the impact you have

And that got me stressed
Glorifying everything that kill you
And these little kids start to get obsessed
All you rappers are a fucking joke
All you rappers are a fucking hoax
All you rappers try to sing these songs
I been at your shows, you can't hit the notes
All you rappers showing off your cash
But the simple fact is you actually broke
Chasing paper, when you make the paper
Then you understand it isn't worth your soul
All you rappers got the game twisted
I ain't never had the same vision
Know that I'm here to make a difference
I know I'm what the game missing
A couple rappers finally get it now
A couple rappers 'bout to show you how
A couple rappers kinda make me proud
But they ain't me because I been standing out, yo

I ain't like nobody else, I ain't like nobody else (ooh)
I ain't like nobody else, I ain't like nobody else
I ain't like nobody else, I ain't like nobody else
I ain't like nobody else, I ain't like nobody else

I ain't like nobody else, I ain't like nobody else
I ain't like nobody else, I ain't like nobody else
I ain't like nobody else, I ain't like nobody else
I ain't like nobody else, I ain't like nobody else
