I don't conform societal norms I do not perform  
Used to be torn when I was tourin' when I was home I would get bored  
Wake me up

Counted dollars exetera, exetera exetera exetera

The more that u get the less that you want  
The more that u love the more that u dump  
The more that u struggle the more that it's fun  
Think about it, like this
